

## Summary of Changes 2023 CRDTS Dental Examinations

CRDTS Dental Examination results are accepted in over 40 US states. Please see [www.crdts.org](http://www.crdts.org) for further details.

CRDTS always recommends candidates check with the appropriate State Board to verify licensure requirements for the state in question, to include specific procedures (for example, Class III, Manikin, Class II Slots).

2023 Exam Fee: \$2,350; D3 Endo/Prost Manikin Fee: \$1,175.00; 1 procedure: \$587.50;

Re-take Fees – Next day; *On-site*: First retake part N/C; Additional retake parts \$250/part; *Off-site*: \$587.50/part

### ***Manikin (Simulated Patient)-Based Examinations***

1. Part 1: Diagnosis and Comprehensive Treatment Planning (DCTP) Written Examination added to the CRDTS Examination. The DCTP is a written examination composed of multiple 4-question mini cases that measure a candidate's ability to diagnose, treatment plan and manage clinical situations that are commonly encountered in entry level practice. Please refer to the 2023 Dental Admin Candidate Manual for more information.
2. Simulated Time Changes: Endodontic Exam – 2.5 hours; Simulated Patient Periodontal Exam – 2 hours; Simulated Patient Restorative Exam – 4 hours
3. Simulated Patient Restorative Examination Retakes: If failure of one or more procedures, all 4 procedures (2 preps, 2 restorations) must be retaken.
